

Kroger Cards

Buy Groceries-Raise Money

Parents,

I am excited to tell you about how we are planning on raising money for the 8th grade trip to St. Louis. We are going to be using Kroger cards that you can reload. They can be used for groceries, at the pharmacy, even for gas!!

First, you buy a Kroger card for \$5.00 from Dawn in the office. It is already loaded with \$5.00, so it doesn't actually cost you anything. Second, you take it to Kroger and give it to the cashier BEFORE your groceries are scanned. You tell the cashier to load the Kroger card with whatever amount you choose. You will pay the cashier for that amount. The cashier will then scan your groceries and you will pay with your Kroger Card. It really is easy and you are not spending any money that you would not have already spent. Every time CDS spends \$5,000, Kroger will cut us a check for 5%!!

You can also send in \$5.00 with your child. Just write on the envelope "Kroger Card" with your child's name on it. We will get the card to you along with a sheet that has frequently asked questions and answers.

Please help support our 8th grade! If you have any questions, please contact me with any questions.

Sincerely,

Treena Thomas
