

CDS PTF 2010-2011 Sponsorship Drive

The Central Day School Parent-Teacher Fellowship encourages all parents and teachers to participate in the vital partnership between home and school and accomplish the mission of our school to honor and glorify God and support the ministry of Central Church by providing an excellent education with a Christian foundation in a safe, encouraging environment. The PTF will do its part to accomplish this goal by identifying the schools needs and then asking our parents to share your prayers, time, talents, and gifts for the benefit of our students, teachers, parents, and school.

Our purpose in fundraising is to provide educational items, recess and P.E. equipment, activities and events for students, teachers and staff that cannot be covered by tuition. Having said this, we also listen to our parents and try to accommodate their wishes when it comes to what type of fundraising the majority is interested in participating.

This year we are offering sponsorship options. Each price level as listed below comes with an incentive for sponsoring. Please spend time with your family to pray over your support for our school. No one is obligated to do this. However, if we reach our goal, it could eliminate the need for other fundraisers! Since we have no way of knowing the amount of participation in this sponsorship drive, we will keep the events already scheduled for this year, such as the book fair and Thunder Run. *As always, you choose which fundraiser works best for you and your family.*

Our goal for this sponsorship drive is \$10,000.00, which is an average of what we have earned with catalog fundraisers in the past. If each student, at a minimum, sponsored at the Blue and Gold level (\$25) we would accomplish 3/4 of that goal. Sponsoring at a higher level would allow us to provide more educational tools and events that are not provided for in the yearly budget. Grandparents, relatives, and friends may also become a CDS PTF sponsor and enjoy the CDS incentive items. If we do not reach our goal, it may be necessary to add an additional fundraiser to our calendar.

If you submit your sponsorship before September 17th, you will be entered into a drawing to win one Dennis Larose gift card in the amount of \$200!!!

♦ *All Sponsors will receive out-of-uniform passes for their students!* ♦
